Meet the hub for teamwork in Office 365

Microsoft Teams brings chat, voice, content, people and tools together, all in one hub, wherever you are. Teams is your digital workspace tool that brings together information that teams need to work effectively and optimize their performance.

An all-in-one customizable hub for collaboration in Teams

Microsoft Teams allows you to:

- Collaborate on files with built-in Office 365 apps such as Word, Excel, PowerPoint and SharePoint.
- Get your team on the same page with group chat, online meetings, calling, and web conferencing.
- Add your favorite Microsoft apps and third-party services to keep the business moving forward.
- Get end-to-end security, administrative control, and compliance.

Microsoft Teams will help you work smarter, wherever you are, on any device!
